

Pet Visitation Volunteers

Good Shepherd Medical Center – Marshall is starting a new service for our patients and we are looking for the perfect kind of furry volunteer! If you have a well-mannered pet and would like to make a meaningful impact on a patient's recovery, consider becoming a Therapet volunteer.

Criteria for your pet to become a member of the Therapet volunteer program are:

- Pet is older than one year of age
- Has completed obedience training
- Must undergo a temperament assessment
- Approved by local veterinarian
- Attend and complete skills training through Therapet
- Attend hospital training
